

DIPL^{MA} &

Individual Career and Academic Planning + Advanced Option = *Diploma* & Recognition

Diploma & recognition begins with **Individual Career and Academic Planning (ICAP)**, a fluid plan that helps students pursue their interests and passions while providing a focus on the path they wish to follow.

Advanced Options

Attend a Missouri community or technical college for up to two years tuition free through the **A+ Program**.

Earn **advanced industry credentials** through our career and technical education programs to give yourself an edge when entering the workforce.

Get a head start by earning **college credit** through OTC Fast Track, Advanced Placement, Articulated Credits, Dual Credit or International Baccalaureate.

Receive college credit or a foot forward in the workforce by earning the **Seal of Biliteracy** for being literate in English and another language.

Gain **job experience** and soft skills through programs such as Agriculture, Automotive, Child Development, Construction Trades, GO CAPS, Marketing & ProStart.

Enlist as high as an E-3 by completing three credits of JROTC to qualify for **advanced military enlistment**.

Create a plan with job shadowing, job coaching or mock interviews through a **vocational rehabilitation plan** (for students who qualify).
