

Ozark Junior High Summer School

At Ozark Junior High
For Incoming 8th and 9th graders
8:00 AM – 3:00 PM | June 8th-June 26th

8th Grade Summer School Information and Options

- All incoming 8th graders must have **DTAP** and **Meningitis** immunization before attending summer school.
 - Please provide a copy of your child's up-to-date shot record to the Junior High Office.
 - For questions on immunizations contact 582-5902.
- A school breakfast and lunch are available for free.
- Students may bring their lunch instead of getting a lunch from the cafeteria.

8th Grade Summer School classes offered

- *KITES* Maker Camp at OMS– *Gifted Education Program* **June 8th – 26th (8:00 AM - 3:00 PM)**
 - Students must be enrolled in the District KITES program to attend this class.
 - Please note that this class will be offered at Ozark Middle School for incoming 8th graders.
- *8th Grade Core Content Prep*
 - The goal of these courses is to prepare upcoming students for the content that will be covered throughout the year in their core classes. Classes will cover content reviews to promote mastery. Lessons will include direct instruction, interactive use of problems to illustrate ideas, question and answer sessions, content reviews, and student collaboration.
 - Students can choose two core classes that they would like to gain foundational knowledge in before starting the new school year.
 - *English/Science Prep* **June 8th – 16th (8:00 AM - 3:00 PM)**
 - *History/Math Prep* **June 17th -26th (8:00 AM – 3:00 PM)**

9th Grade Summer School classes offered

(All 9th grade classes will be online and active from June 8th - June 26th)

- *Online Career Opportunities*
 - This course teaches each of us how to develop and carry out a plan for living and working in today's society. The course includes analysis of society and the workplace, one's skills and abilities, personal reflections of interests, and the life and work style that is best for each individual.
- *Online Health*
 - The health curriculum focuses on the mental, physical, social and emotional areas of health. These health areas and current health issues are studied to help students make responsible decisions toward their overall wellness.
- *Online Personal Finance*
 - This course will provide students with practical life skills needed on a daily basis. With online resources such as Everfi Financial Literacy and Dave Ramsey's Foundations U, students will gain an understanding which will set them up to be successful in their future. Throughout this course students will get a further understanding about the following topics: income and taxes, checking and savings accounts, using credit wisely, managing money, investing, purchasing insurance, housing, buying cars and more. Through this course students gain a basic understanding of finance and are more confident and competent in making financial decisions when out on their own.
- *Online Driver's Education*

- This online only course is designed to help young and future drivers learn the skills, responsibilities, and behaviors required to be safe when operating a motor vehicle. In addition, this course will prepare students for the Missouri instruction permit test. No driving time will be provided.
- Due to limited space, sophomores are enrolled in Driver's Education first, and freshmen are enrolled if space is available.
