

Ozark School District Online Registration Instructions

Please remember to submit documents to the school your student(s) will attend.

School offices will open at noon on July 26.

- An email address will be required for online registration (parents with no active email can choose one of several free providers, such as Gmail).
- Online registration is not available on mobile devices. Computers are available at each of our buildings for your convenience.

IF YOUR FAMILY IS NEW TO OUR DISTRICT

Step 1: Go to: <https://sdm.sisk12.com/OZ360>

Step 2: Click on the Parent tab

Step 3: Click on 'Register New Family', which is at the bottom of the Parent tab screen, and continue to follow the prompts. You will receive an email with further instructions on completing the online registration process.

This option is intended for use by families who are new to Ozark School District. This means no students in the family are currently attending any schools in Ozark School District and no students in the family have attended any schools in Ozark School District in the past.

Families who have left Ozark School District and are returning will use the physical forms located at the school office or at <https://www.ozarktigers.org/domain/27>.

Step 4: Provide the required documents at the building your student(s) will attend. Missing documents may delay the registration process. Document list can be found here: <https://www.ozarktigers.org/domain/27>

Our goal is to make this process as easy as possible for parents. Completing the online registration will reduce the amount of time parents will spend in the building enrolling new students, but will not replace visiting the building. Our school staff wants to meet new families and get to know new students prior to the first day of school.

Ozark School District will host several open houses before the start of the new school year. Please use the link to view back-to-school information. <https://www.ozarktigers.org/domain/28>

If you have questions, please call the school building office where your student will be attending, or email: lisaneiman@ozarktigers.org. Building contact link: <https://www.ozarktigers.org/domain/82>
