CSIP 3.D.5 Develop, implement and review annually the School Police Department portion of the Operations Plan

Strategy 3.D.5.a: Continue to build and strengthen public relations through community orientated policing

- a. Make it a priority to speak with community members to create and maintain a positive relationship by attending at least two events per building per year.
- b. Develop committee of stakeholders to gain input from staff, parents and community

Strategy 3.D.5.b: Maintain safe and secure facilities

- c. Attend building drills to consult with administrators on safety procedures
- d. Maintain response times for priority and non-priority calls
 - 1. Priority response benchmark 3 minutes for emergency calls
 - 2. Non-priority response benchmark 15 minutes for non-emergency calls.
- e. Coordinating with local/area law enforcement agencies to support our schools in emergency management planning.

Strategy 3.D.5.c: Ensure Officers maintain required state mandated training

- f. Complete post hour as required by the state of Missouri by completing 24 hours annually and officers will attend specialized training beyond mandated requirements
- g. Continue to utilize training officer to ensure all School police personnel stay in compliance with requirements.

Strategy 3.D.5.d: Review policies, procedures and laws regarding SROs and School administrators and their functions in the school

- h. Continue to work with the sub-committee of SROs and School Administrators to review policies, procedures and laws. This committee will continue to meet to conduct after action review following any incident involving school policy violations and crimes to review actions by both groups
- i. This committee will continue to recommend changes to current practice to the Executive Director of Operations.
- j. Support the development of Run, Hide, Fight with staff, students and stakeholders in regard to intruder situations

*actual numbers

**one pool car & new purchase

- 1. Currently SROs have one vehicle each. These vehicles are aging and will need a plan for replacement. We will plan to replace one vehicle per year over the next 2-4 years. This year we added a 2014 all-wheel drive Dodge Charger (police package)**
- 2. As the district grows and our district land mass increases we will have a need to add police officer.**
- 3. Create, review and implement safety and security plans for each school location.**
