

# Your Corporate Wellness Program

## What is a corporate membership?

If your employer is a part of our Corporate Wellness Program, you can receive all the benefits to being an annual member, at a lower cost. Based on the number of employees who sign up, The OC gives a special rate to any company wanting to participate in this program. Corporate memberships are 12 month memberships for the employee and their families. The membership includes usage of the aquatics center, fitness center, gymnasium, KidZone, fitness classes, and the Neal & Betty Grubaugh Outdoor Pool. It also qualifies the employee and their family for discounts on many of The OC's programs including The OC Summer Camp, swimming lessons, sports, and many more.

## Corporate memberships at The OC provide

- No cost to employer to join
- Status reports on employee usage
- Annual member benefits & discounts

## Corporate Membership Pricing for Ozark School Employees

25 + Employees	Monthly Auto Draft	Annual Payment
