Dear Retiree:

Thank you for your continued service with the Ozark School District! You are truly a valued member of this district and we appreciate the passion you continue to bring to our schools.

This communication is a reminder that the district is required to track the hours you work to remain in compliance with our retirement system, PEERS/PSRS. Please keep in mind that every month you work for the district, we will report your hours worked and wages earned to PSRS/PEERS.

- **Please record in the time clock the hours that you are *actually required to work and are required to be on campus.***
- **The hours in the time clock for the current month will not be reported until 1 month later (for example September hours will not be reported until October). You may also want to keep your own personal time log.**
- **\*\*We will NOT correct any hours reported to the retirement system once our time clock has been closed for the month (on the 5<sup>th</sup> of the month following when the work was completed). Please be sure that the hours you show in the time clock are accurate.\*\***

We appreciate your time in not only helping us remain in compliance with our retirement system but also in maintaining your retirement eligibility and continuation of retirement payments.

Sincerely,

*Donna Prince*
